ERISA Filing - Welcome

EFAST is a system designed to simplify and expedite the receipt and processing of the Forms 5500/5500 Short Form. These forms are filed each year by more than one million retirement and other employee benefit plans to satisfy annual reporting requirements under ERISA and the Internal Revenue Code.

The Department of Labor (DOL), Internal Revenue Service (IRS), and the Pension Benefit Guaranty Corporation (PBGC) created EFAST to streamline the forms and the methods by which they are filed and processed.
